

Scholarship Application

The Club Palmyra scholarship program exists so that children are not prevented from playing soccer for our club because of financial reasons. We are limited to strict budgetary guidelines. However, we will carefully consider all applications for scholarship. Families applying for competitive player scholarships are required to pay the minimum of **\$20 per player**. **This payment must be submitted with the application.** We are unable to waive fees for coaching fees, uniforms, team expenses, and/or tournament expenses.

Review the instructions carefully. Submission of an application does not constitute approval. You will be notified of your scholarship status via email once the application has been processed and approved.

Please read this form in its entirety and complete all information in this application. **PLEASE PRINT.**
